Speciality

Tulip clusiana Peppermint Stick

Unit: 10 Bulbs
Price: $8.00
Planting Depth: 3-4"
Height: 9-12"
Light: Full Sun
Flowering Time: Early Spring

A diminutive variety with alternating bright pink and white petals. Perfect size for rock gardens, containers, and forcing.

Needs excellent drainage when containered.
Speciality

Tulip Tarda Dasystemon

Unit: 10 Bulbs
Price: $5.00
Planting Depth: 3-4"
Height: 6"
Light: Full Sun
Flowering Time: Early Spring

Bright yellow blooms with white tips that flatten slightly when opened.
Needs excellent drainage when containered.
Speciality

Tulip linifolia

Unit: 10 Bulbs
Price: $5.00
Planting Depth: 3-4"
Height: 6-8"
Light: Full Sun
Flowering Time: Early Spring

Unusual flowers with varying heights. Bright colors. Known to perennialize better than most tulips.

Needs excellent drainage when containered.
Kaufmanniana

Tulip Stresa

Unit: 5 Bulbs
Price: $5.00
Planting Depth: 6"
Height: 8-10"
Light: Full Sun
Flowering Time: Early Spring

Naturalizes easily and comes back year after year. Opens wide during sunny hours. When open, it resembles a shining star.
Kaufmanniana

Tulip Showwinner

Unit: 5 Bulbs

Price: $5.00

Planting Depth: 6"

Height: 8-10"

Light: Full Sun

Flowering Time: Early Spring

Bright scarlet flowers open wide to reveal a golden heart. The flowers are held on short stems above handsomely mottled leaves.

For long life provide excellent drainage.
Fosteriana

Tulip Orange Emperor

Unit: 5 Bulbs
Price: $5.00
Planting Depth: 6"
Height: 14-16"
Light: Full Sun
Flowering Time: Early/Mid Spring

Naturalizes easily. Large wide orange petals and pale buttercup yellow base with black anthers.

For long life provide excellent drainage. Plant six inches deep. Tulip bulbs tend to split after a few years and produce inferior or no flowers. Planting a little deeper will help keep the bulbs from splitting and provide additional years of flowering.
Fosteriana

Tulip Sweetheart

Unit: 5 Bulbs
Price: $5.00
Planting Depth: 6"
Height: 12-18"
Light: Full Sun
Flowering Time: Early/Mid Spring

Lemon yellow petals with white edges. Yellow anthers.
For long life provide excellent drainage
Fosteriana

Tulip Red Emperor

Unit: 5 Bulbs
Price: $5.00
Planting Depth: 6"
Height: 14-16"
Light: Full Sun
Flowering Time: Early/Mid Spring

Heirloom perennial bulb with deep fiery red flowers. Naturalizes easily. Plant it once and it will multiply and spread.
For long life provide excellent drainage.
Fosteriana

Tulip Flaming Purissima

Unit: 5 Bulbs

Price: $5.00

Planting Depth: 6"

Height: 14-16"

Light: Full Sun

Flowering Time: Early/Mid Spring

Petals have an ivory and blush colored tie-dye effect with buttercup base and black anthers. Reliably perennial when grown in the proper conditions.

For long life provide excellent drainage.
Single Early

Tulip Candy Prince

Unit: 5 Bulbs
Price: $5.00
Planting Depth: 6"
Height: 12-18"
Light: Full Sun
Flowering Time: Early/Mid Spring

Soft lilac colored blooms and silver green foliage.

For long life provide excellent drainage. Easy to grow.
Single Early

Tulip Apricona

Unit: 5 Bulbs
Price: $5.00
Planting Depth: 6"
Height: 12-18"
Light: Full Sun
Flowering Time: Early/Mid Spring
Showy and fragrant soft pink blooms with mellow orange highlights.
For long life provide excellent drainage.
Double Early

Tulip Foxtrot

Unit: 5 Bulbs
Price: $5.00
Planting Depth: 6"
Height: 12-14"
Light: Full Sun
Flowering Time: Early/Mid Spring

Large, 4 inch, sweetly fragrant blossoms.
For long life provide excellent drainage.
Darwin

Tulip American Dream

Unit: 5 Bulbs
Price: $5.00
Planting Depth: 6"
Height: 20-24"
Light: Full Sun
Flowering Time: Mid Spring

Intense, glowing orange and yellow petals. This variety has a sturdy stem that withstands rain and wind.

For long life provide excellent drainage.
Darwin

Tulip Apeldoorn

Unit: 5 Bulbs
Price: $5.00
Planting Depth: 6"
Height: 18-20"
Light: Full Sun
Flowering Time: Mid Spring

Egg-shaped, cherry-red flowers with a yellow edged black eye and prominent black anthers.
For long life provide excellent drainage.
Darwin

Tulip Blushing Apeldoorn

Unit: 5 Bulbs

Price: $5.00

Planting Depth: 6"

Height: 16-20"

Light: Full Sun

Flowering Time: Mid Spring

Soft, blushing golden petals, lined with red. Forces well and has long-lasting flowers.

For long life provide excellent drainage.
Darwin

Tulip Banja Luka

Unit: 5 Bulbs

Price: $5.00

Planting Depth: 6"

Height: 20-24"

Light: Full Sun

Flowering Time: Mid Spring

Rich colored blossoms reach up to 6 inches when fully open. Dark yellow feathered petals, streaked with red, have a sturdy stem that can withstand harsh weather.

For long life provide excellent drainage.
Tulip Pink Impression

Darwin

Unit: 5 Bulbs

Price: $5.00

Planting Depth: 6"

Height: 20-24"

Light: Full Sun

Flowering Time: Mid Spring

Giant, deep rose petals that fade to a softer pink at the edges. Sturdy, long stem.

For long life provide excellent drainage.
Darwin

Tulip World’s Favorite

Unit: 5 Bulbs

Price: $5.00

Planting Depth: 6"

Height: 20-22"

Light: Full Sun

Flowering Time: Mid Spring

Strong, huge, tomato-red flowers with golden yellow petal edges and an interior yellow spotlight base.

For long life provide excellent drainage.
Triumph

Tulip Helmar

Unit: 5 Bulbs
Price: $5.00
Planting Depth: 6"
Height: 12-18"
Light: Full Sun
Flowering Time: Mid Spring

Classic 4" egg shape blooms are primrose yellow with ruby flames shooting up the sides of each petal.

For long life provide excellent drainage.
Triumph

Tulip Flaming Flag

Unit: 5 Bulbs
Price: $5.00
Planting Depth: 6"
Height: 18-20"
Light: Full Sun
Flowering Time: Mid Spring

Enormous and long lasting ivory-white blossoms variegated with lavender flames. Hardy stems weather spring showers.

For long life provide excellent drainage.
Triumph

Tulip Princess Irene

Unit: 5 Bulbs
Price: $5.00
Planting Depth: 6"
Height: 12-14"
Light: Full Sun
Flowering Time: Mid Spring

Sweetly scented, bowl-shaped orange blossoms with central purple flame. Sturdy variety withstands wind and rain.

For long life provide excellent drainage.
Single Late

Tulip Blushing Beauty

Unit: 5 Bulbs
Price: $5.00
Planting Depth: 6"
Height: 28-30"
Light: Full Sun
Flowering Time: Mid to Late Spring

Large, soft pink goblet-shaped flowers. Lilac petals pop with color at the center and diffuse to a light blush with yellow edges. Sturdy stems withstand wind and rain.

For long life provide excellent drainage.
Single Late

Tulip Blushing Girl

Unit: 5 Bulbs
Price: $5.00
Planting Depth: 6"
Height: 26-30"
Light: Full Sun
Flowering Time: Mid to Late Spring

Large ivory white flowers with yellow flame and pink lilac stippled edges. For long life provide excellent drainage.
Single Late

Tulip Queen of Night

Unit: 5 Bulbs

Price: $5.00

Planting Depth: 6"

Height: 28-30"

Light: Full Sun

Flowering Time: Mid to Late Spring

Velvety dark mahogany, almost black, blossoms with long, sturdy stems that withstand wind and rain.

For long life provide excellent drainage.
**Multiflowering**

**Tulip Antoinette**

- Unit: 5 Bulbs
- Price: $5.50
- Planting Depth: 6"
- Height: 20"
- Light: Full Sun
- Flowering Time: Mid to Late Spring

Single Late Tulip Antoinette change color as they bloom. These begin lemon yellow, then pink begins to flush the outer edges of the petals. As the flowers open they appear more salmon in color. These Multiflowering Tulips will shoot out a stalk with a an array of 3-4 flowers at the top of the stalk.
Multiflowering

Tulip Fiery Club

Unit: 5 Bulbs

Price: $5.50

Planting Depth: 6"

Height: 20"

Light: Full Sun

Flowering Time: Late Spring

Double flowered tulip with peony-like blooms. Flowers start out greenish yellow with a carmine-red edge and then mature to creamy white with a deep red trim. These Multiflowering Tulips will shoot out a stalk with an array of 3-4 flowers at the top of the stalk.

For long life provide excellent drainage.
Viridiflora

Tulip Chinatown

Unit: 5 Bulbs

Price: $5.50

Planting Depth: 6"

Height: 12"

Light: Full Sun

Flowering Time: Mid to Late Spring

Feathery pink and moss green petals with creamy-edged, silver-green foliage.

For long life provide excellent drainage.
Parrot

Tulip Flaming Parrot

Unit: 5 Bulbs
Price: $5.50
Planting Depth: 6"
Height: 20"
Light: Full Sun
Flowering Time: Mid to Late Spring

Fringed red and yellow petals form a whimsically shaped blossom. In the sun, the petals open so wide that the flower flattens out to reveal its brilliant colors and contrasting black anthers.

For long life provide excellent drainage.
Lily-Flowered

Tulip Fireworks

Unit: 5 Bulbs
Price: $5.50
Planting Depth: 6"
Height: 18"
Light: Full Sun
Flowering Time: Mid to Late Spring

Golden yellow flamed with red. Tulip Firework has a beautiful curvaceous form. The appropriately named tulip will bring the garden to light with its flash of colour a beautiful combination with elegantly pointed petals.
Lily-Flowered

Tulip Purple Dream

Unit: 5 Bulbs

Price: $5.50

Planting Depth: 6''

Height: 20''

Light: Full Sun

Flowering Time: Mid to Late Spring

A dream, indeed. The clear, violet-purple blooms of this Lily-flowered Tulip look like a goblet as they reflex gracefully to pointed tips. Just a touch of white appears at the base of each flower and as occasional highlights on the interior. 'Purple Dream' shows off well in a vase.
Lily-Flowered

Tulip Elegant Lady

Unit: 5 Bulbs
Price: $5.50
Planting Depth: 6"
Height: 20"
Light: Full Sun
Flowering Time: Mid to Late Spring

Creamy pale yellow and pink petals with pointed and arched shape. Blossoms form graceful goblets atop of delicate stems.

For long life provide excellent drainage.
Lily-Flowered

Tulip Whispering Dream

Unit: 5 Bulbs

Price: $5.50

Planting Depth: 6"

Height: 18"

Light: Full Sun

Flowering Time: Mid to Late Spring

Unique among blooms, the Lily Flowering tulips are defined by their pointed petals. These flowers will close tightly during the cool evening temperatures but as the sun rises, their petals will begin to open dramatically as the weather warms.
Narcissus Trumpet

Daffodil British Gambel

Unit: 5 Bulbs
Price: $8.00
Planting Depth: 6"
Height: 16-18"
Light: Full Sun / Partial Shade
Flowering Time: Early to Mid- Spring

Beautiful white and pink trumpet shaped flower with broad and showy cup. Grows vigorously. Pest-free!

For long life provide excellent drainage.
Narcissus Trumpet

Daffodil Chromacolor

Unit: 5 Bulbs
Price: $8.00
Planting Depth: 6"
Height: 16"
Light: Full Sun / Partial Shade
Flowering Time: Early to Mid- Spring

There is little to seek in a Daffodil that isn’t found in ‘Chromacolor’ substance, eye-catching beauty, and fragrance. The flower is clear white with a cup that turns deep reddish pink and has the scent of Roses or Raspberries.
Narcissus Trumpet

Daffodil Dutch Master

Unit: 5 Bulbs
Price: $8.00
Planting Depth: 6"
Height: 14-18"
Light: Full Sun / Partial Shade
Flowering Time: Early to Mid- Spring

Classic, all yellow daffodil. Tried-and-true cultivar that perennializes and forces easily. Pest-free!
For long life provide excellent drainage.
Narcissus Large Cup

Daffodil Color Run

Unit: 5 Bulbs
Price: $8.00
Planting Depth: 6"
Height: 14-18"
Light: Full Sun / Partial Shade
Flowering Time: Early to Mid- Spring

Intensely colored coral pink center with pastel yellow outer petals. Pest-free.
For long life provide excellent drainage.
Narcissus Large Cup

Daffodil Carlton

Unit: 5 Bulbs

Price: $8.00

Planting Depth: 6"

Height: 18-20"

Light: Full Sun / Partial Shade

Flowering Time: Early to Mid- Spring

Two-toned yellow daffodil with a vanilla-like fragrance. Pest-free!

For long life provide excellent drainage.
Narcissus Large Cup

Daffodil Loveday

Unit: 5 Bulbs
Price: $8.00
Planting Depth: 6"
Height: 14-16"
Light: Full Sun / Partial Shade
Flowering Time: Early to Mid-Spring
Golden yellow outer petals with contrasting orange cup. Pest-free!
Narcissus Large Cup

Daffodil Salome

Unit: 5 Bulbs
Price: $8.00
Planting Depth: 6" Height: 16-18"
Light: Full Sun / Partial Shade
Flowering Time: Early to Mid- Spring

Large blossoms, up to 4in. Across, adorned with creamy petals and a primrose-yellow cup that fades to peach-pink.
Narcissus Small Cup

Daffodil Barrett Browning

Unit: 5 Bulbs

Price: $8.00

Planting Depth: 6"

Height: 14-16"

Light: Full Sun / Partial Shade

Flowering Time: Mid-Spring

Large, 4" flowers with showy orange-scarlet cup, frilled rim, and white petals. Pest-free!

For long life provide excellent drainage.
Narcissus

Daffodil Poeticus recurvus

- Unit: 5 Bulbs
- Price: $8.00
- Planting Depth: 6"
- Height: 10-13"
- Light: Full Sun / Partial Shade
- Flowering Time: Late-Spring

Strongly scented and award winning. This variety is commonly called 'Pheasant's Eye' and has brilliant white flowers with recurved petals and small, red-rimmed, golden-yellow cups. Pest-free!

For long life provide excellent drainage.
Narcissus Cyclamineus

Daffodil Prototype

Unit: 5 Bulbs

Price: $6.00

Planting Depth: 4"

Height: 12-14"

Light: Full Sun / Partial Shade

Flowering Time: Mid-Spring

3" reflexed, pale green-lemon petals with a rose-pink cup. Benefits from filtered sunlight so that it can develop its best pink-coloration. Pest-free!

For long life provide excellent drainage.
Narcissus Cyclamineus

Daffodil Tête-à-Tête

Unit: 5 Bulbs
Price: $6.00
Planting Depth: 4"
Height: 6-8"
Light: Full Sun / Partial Shade
Flowering Time: Mid-Spring

A popular and award-winning miniature variety with perfectly formed and fragrant flowers. Has pale yellow petals and bright yellow trumpets. Perfect for early spring ground cover. Pest-free!

For long life provide excellent drainage.
Narcissus Tridandrus

Daffodil Starlight Sensation

Unit: 5 Bulbs

Price: $6.00

Planting Depth: 4"

Height: 12-14"

Light: Full Sun / Partial Shade

Flowering Time: Mid-Spring

Fragrant Brent Heath hybrid has up to four creamy-white flowers per stem. Pest-free!

For long life provide excellent drainage.
Narcissus Tridandrus

Daffodil Sunlight Sensation

Unit: 5 Bulbs
Price: $6.00
Planting Depth: 4"
Height: 12-16"
Light: Full Sun / Partial Shade
Flowering Time: Mid-Spring

New bright yellow variety with a fruity fragrance. Produces 3-5 stems per bulb and 2-3 flowers per stem. Pest-free!

For long life provide excellent drainage.
Crocus

Orange Monarch

Unit: 10 Bulbs

Price: $7.00

Planting Depth: 3"

Height: 12"

Light: Full Sun / Partial Shade

Flowering Time: Late Winter / Early Spring

Blooms profusely with deep orange petals. Great front for a perennial border or to turn a lawn into a spring meadow. Crocuses provide early pollen for honeybees.

Plant bulbs 3" deep in clusters in the fall before the ground freezes. For sweeping drifts, plant 100 to 150 corms. In lawns, don't mow until six weeks after blooming. If mowed earlier, the newly formed cormlets will not become large enough to flower the next year.
Crocus

Barr’s Purple

Unit: 10 Bulbs
Price: $4.00
Planting Depth: 3"
Height: 4"
Light: Full Sun / Partial Shade
Flowering Time: Late Winter / Early Spring

Rich purple-lilac flowers have a silvery outside with orange stigmas and stamens. Stems have tufted green leaves with a central silvery white stripe. Great front for a perennial border or to turn a lawn into a spring meadow. Crocuses provide early pollen for honeybees.

Plant bulbs 3" deep in clusters in the fall before the ground freezes. For sweeping drifts, plant 100 to 150 corms. In lawns, don’t mow until six weeks after blooming. If mowed earlier, the newly formed cormlets will not become large enough to flower the next year.
Crocus

King of the Striped

Unit: 10 Bulbs

Price: $7.00

Planting Depth: 3"

Height: 3-6"

Light: Full Sun / Partial Shade

Flowering Time: Late Winter / Early Spring

Beautiful bicolor pattern makes this variety stand out against traditional monotone crocus blooms. Charming effect in pots or naturalized in large drifts. Early pollinators gravitate towards the crocus and will also visit other early blooms in your garden.

Plant where grass grows slowly, and while the grass is still getting ready for its season, King of the Striped will keep the area beautiful. Plant early bulbs 3" deep in groups of clusters in the fall before the ground freezes. To create sweeping drifts, plant 100 to 150 corms. If used in lawns, don’t mow grass until six weeks after crocuses have bloomed to protect the following year’s blooms.
Crocus

Jeanne d’Arc

Unit: 10 Bulbs

Price: $7.00

Planting Depth: 3"

Height: 4-6"

Light: Full Sun / Partial Shade

Flowering Time: Late Winter / Early Spring

Also known as ‘Dutch Crocus’, this popular cultivar has cup-like pure white flowers with faint purple veining, larger than most other crocuses. Its deep purple base has a striking bright orange pistil. Crocuses are a good source of pollen for honeybees early in the season.

Plant early bulbs 3" deep in groups of clusters in the fall before the ground freezes. To create sweeping drifts, plant 100 to 150 corms. If used in lawns, don’t mow grass until six weeks after crocuses have bloomed to protect the following year’s bloom.
Allium

Caeruleum

Unit: 5 Bulbs

Price: $4.00

Planting Depth: 4"

Height: 12-24"

Light: Full Sun

Flowering Time: Late Spring

Allium caeruleum, commonly called blue globe onion, is a bulbous perennial that typically grows to 12-24" tall. It is native to dry slopes, steppes and plains ranging from the Caspian Sea to southwestern Siberia, central Asia and northwestern China. As suggested by its common name, this ornamental onion is noted for producing dense, many-flowered, globular clusters of small, star-shaped, sky blue flowers.

Warning for Pet Owners

Allium can be toxic to animals. Make sure that none of your pets chew on the flowers. If you think your pet has been poisoned, contact an ASPCA Poison Control Center.
Allium

Giganteum

Unit: 1 Bulbs
Price: $7.00
Planting Depth: 6"
Height: 3-5'
Light: Full Sun
Flowering Time: Late Spring

These are the largest blossoms of all ornamental onions. These light lavender to purple flowers form 4-6" pompoms on top of thick stems with a basal rosette of gray-green strap-shaped leaves. Alliums provide nice color between the finale of spring bulbs and the summer show of perennial flowers. Deer resistant.

Warning for Pet Owners
Allium can be toxic to animals. Make sure that none of your pets chew on the flowers. If you think your pet has been poisoned, contact an ASPCA Poison Control Center.
Allium

Shubertii

Unit: 5 Bulbs
Price: $12.00
Planting Depth: 4"
Height: 12-24"
Light: Full Sun
Flowering Time: Late Spring

This variety, also known as 'Tumbleweed Onion' boasts huge, loose, spidery flowers. Alliums provide nice color between the finale of spring bulbs and the summer show of perennial flowers. Deer resistant. This hardy plant is unaffected by diseases, insects, and wildlife pests.

Warning for Pet Owners
Allium can be toxic to animals. Make sure that none of your pets chew on the flowers. If you think your pet has been poisoned, contact an ASPCA Poison Control Center.
Allium

Also known as the ‘Mediterranean Sicilian Honey Lily’ this allium has delicate yet substantive 2" wide umbels of 20 to 30 pendant greenish-white florets with purple centers and white edges. Alliums provide nice color between the finale of spring bulbs and the summer show of perennial flowers. Deer/animal resistant.

Warning for Pet Owners
Allium can be toxic to animals. Make sure that none of your pets chew on the flowers. If you think your pet has been poisoned, contact an ASPCA Poison Control Center.
Anemone

blanda Blue Shades

Unit: 5 Bulbs

Price: $3.00

Planting Depth: 2"

Height: 4-8"

Light: Full Sun / Partial Shade

Flowering Time: Mid Spring

Masses of bluish-purple daisy-shaped flowers. Bulbs will easily spread and naturalize for a display year after year.

For long life provide excellent drainage. Soak tubers before planting.
Camassia

leichtlinii Caerulea

Unit: 5 Bulbs

Price: $12.00

Planting Depth: 6"

Height: 24-30"

Light: Full Sun / Partial Shade

Flowering Time: Mid Spring

Linear, strap-shaped leaves typically form a 2’ clump of foliage. Star-shaped flowers grow in upright terminal racemes. Flowers emerge from stout, willowy stems and open sequentially from bottom to top for a long lasting display. Stunning in beds and wildflower meadows. Excellent as cut flowers. Deer and rodent resistant.

For long life provide excellent drainage.
Camassia
leichtlinii Alba

Unit: 5 Bulbs
Price: $9.00
Planting Depth: 6"
Height: 24-30"
Light: Full Sun / Partial Shade
Flowering Time: Mid Spring

These tall spires are packed with dozens of star-shaped, creamy-white flowers. Each flower has 6 petals, a green center, and purple stamens that emerge from short, thin stems. Flowers open sequentially from bottom to top for a long-lasting display. Deer and rodent resistant.

Provide regular moisture during the growing season, but will tolerate drier conditions after bloom.
**Eranthis**

hyemalis

Unit: 5 Bulbs
Price: $3.00
Planting Depth: 2"
Height: 3-4"
Light: Full Sun / Partial Shade
Flowering Time: Late Winter / Early Spring

Commonly called winter aconite. It is native to Europe. Cup-shaped, upward-facing, buttercup-like flowers rest on short stalks. Each flower is subtended by a collar of leaf-like bracts. A true harbinger of spring, these rugged plants often send their shoots up through snow. Lobed, basal, green leaves emerge after the flowers. Genus name comes from the Greek word er (spring) and anthos (flower)-which suggests it's early spring arrival.

For long life provide excellent drainage. Use to border fronts and rock gardens.
Muscari

armeniacum (Grape Hyacinth)

Unit: 10 Bulbs
Price: $4.00
Planting Depth: 3"
Height: 24-30"
Light: Full Sun / Partial Shade
Flowering Time: Early Spring

Conical racemes of slightly fragrant, tightly packed, blue, urn-shaped flowers float above sturdy scapes. Each bulb produces 1-3 scapes with 20-40 flowers that form the shape of a bunch of grapes, hence its common name.

For long life provide excellent drainage.
Leucojum

Gravetye Giant (Summer Snowflake)

Unit: 5 Bulbs
Price: $8.00
Planting Depth: 4"
Height: 24-28"
Light: Full Sun / Partial Shade
Flowering Time: Mid Spring

Features 4-8 large, white, nodding, bell-shaped flowers with green-tipped petals. Mildly chocolate-scented, they rise on sturdy stems above clumps of dark green leaves. Incredibly robust and vigorous.

Thrives in well-drained soil, but will tolerate boggy spots.
**Scilla**

*siberica (Siberian Squill)*

- Unit: 10 Bulbs
- Price: $4.00
- Planting Depth: 3"
- Height: 4"
- Light: Full Sun / Partial Shade
- Flowering Time: Early Spring

Produces 3-4 thin scapes with 1-3, drooping, deep blue flowers with blue anthers. Medium green strap-like foliage with 6" long leaves.

For long life provide excellent drainage.
Galanthus

nivalis (Snowdrops)

Unit: 10 Bulbs

Price: $7.00

Planting Depth: 3"

Height: 3-7"

Light: Full Sun / Partial Shade

Flowering Time: Late Winter / Mid Spring

Three large pure white petals surround a smaller inner white bell-shaped cup with green arched pattern. The nodding bloom resembles its namesake: a snowdrop. Advice: For long life provide excellent drainage and some shade.
Commonly known as the ‘Persian Lily’, this bulbous perennial of the lily family is noted for producing attractive racemes of plum purple to gray green flowers. Each raceme contains up to 30, nodding, bell-shaped flowers atop a stiff tall stem with gray-green leaves. Deer and rodent resistant.

Grow in deep, organically rich and moist, well drained soil for best results.
Fritillaria
meleagris

Unit: 5 Bulbs
Price: $4.00
Planting Depth: 3"
Height: 4"
Light: Full Sun
Flowering Time: Mid Spring

Commonly known as a checkered lily or guinea-hen flower. Plants have a dainty appearance with solitary, drooping, 2" bell shaped flowers. Petals are variegated with reddish-brown, purple, grey, and white atop slender stems.

Grow in deep, organically rich and moist, well drained soil for best results.
Chionodoxa
forbesii

Unit: 5 Bulbs
Price: $3.00
Planting Depth: 3"
Height: 6"
Light: Shade - Full Sun
Flowering Time: Mid Spring

Gardeners who love to create a dazzling display in their border, adore the Chionodoxa forbesii. This garden plant stays low, which makes the garden plant perfect for the front position of the border. These flower bulbs are suitable for borders, but they also grow fabulous in flower pots. Also, people with no garden, like balconies and roof terraces, can enjoy these lovely blue-white colored plants.
Hyacinth

Blue Jacket

Unit: 5 Bulbs
Price: $8.00
Planting Depth: 6"
Height: 8-12"
Light: Full Sun
Flowering Time: Early - Mid Spring

The wonderful blue-purple colored little flowers show an amazing design and can’t be missed in any spring fields. The fragrant flowers are sweet and spread a lovely scent throughout the meadow. From March until the end of April, these flowers steal the show in every Spring garden.
Hyacinth

City of Haarlem

Unit: 5 Bulbs

Price: $8.00

Planting Depth: 6"

Height: 8-12"

Light: Full Sun

Flowering Time: Early - Mid Spring

Its large, bright flowers are a rare, primrose yellow. With its sweet perfume, it makes a tantalizing addition to borders and rock gardens. Or put it anywhere you need a little cheer, either as a container plant or as a cut flower. Enhances any spring scene by attracting beautiful butterflies to your garden.

Let foliage die down naturally. Leaves provide nourishment for bulbs to produce future growth and blooming.
Hyacinth

Miss Siagon

Unit: 5 Bulbs

Price: $8.00

Planting Depth: 6"

Height: 8-12"

Light: Full Sun

Flowering Time: Early - Mid Spring

Hyacinth Bulbs Miss Saigon are fragrant, deer resistant and very cold hardy. These royal purple blooms look striking planted in drifts or with Daffodils.

The royal purple booms of Hyacinth Bulbs Miss Saigon add a rich look to the mid spring garden. These bulbs are fragrant, deer resistant and very cold hardy, growing in zones 2-8. Plant in drifts for a striking impact or use with mid spring blooming Daffodils for a lovely contrast.
Hyacinth

Gypsy Queen

Unit: 5 Bulbs

Price: $8.00

Planting Depth: 6"

Height: 8-12"

Light: Full Sun

Flowering Time: Early - Mid Spring

Coral, salmon and peach tones have creamy butter highlights. Hyacinths transition a winter-weary garden to life well before most perennials begin to waken in spring and before it is warm enough to plant annuals.

Hyacinth spring bulbs are best known for their fragrance. For the best effects, plant the bulbs in clusters of 5 or more of one variety. Enjoy this selection throughout the winter from indoor forcing. In zones 9 and 10 Hyacinth bulbs require 12-15 weeks of chilling at temps of 35-50 degrees for bulbs to return each year.
Iris

Katherine Hodgkin

Unit: 5 Bulbs
Price: $4.00
Planting Depth: 3"
Height: 2-3"
Light: Full Sun
Flowering Time: Early - Mid Spring

Dramatic blooms in periwinkle blue with eruptions of golden yellow and deep blue markings. The unusual colors of Iris Katherine Hodgkins is so much fun to find blooming in the winter garden.

Smaller in stature, but just as dazzling as their taller cousin. Dwarf Irises are very early blooming plants. They bloom after snowdrops and about the same time as giant crocuses. Multiply rapidly, excellent for rock gardens.
Iris reticulata Harmony

Unit: 5 Bulbs
Price: $4.00
Planting Depth: 3"
Height: 2-3"
Light: Full Sun
Flowering Time: Early - Mid Spring

Sweetly-scented flowers bloom in shades of royal blue with a white hemmed citrine sprinkle at the throat. This dwarf iris Harmony will grace your early spring garden with a touch of blue.

Smaller in stature, but just as dazzling as their taller cousin. Dwarf Irises are very early blooming plants. They bloom after snowdrops and about the same time as giant crocuses. Multiply rapidly, excellent for rock gardens.
